

Fenerbahçe Veterans Table Tennis Sports Club

Our club is a very active, warm and energetic table tennis club primarily for veteran players. We also support and invest in young players by running a training school throughout the year.

You can come to the club to play with an available player or train with qualified coaches. The club is open almost every day, all year round. We organize a rating tournament for 12 different rating groups 4 times a year, as well as an open tournament every Wednesday and Sunday.

The playing hall contains 7 ITTF approved tables. There is also a small restaurant and lockers in the club area.

Our Men's Team is currently competing in the 3rd League.
